

Building Better Opportunities - Funding will support projects in England that tackle poverty and promote social inclusion. It is funded by the Big Lottery Fund and the European Social Fund.

Develop skills in greenwood crafts and

BUILD-A-BENCH

at the Green Wood Centre, Ironbridge

Help us build a woodland bench for your local community.

Working with our greenwood craft worker you'll learn traditional craft skills and meet new people, working together to create an amazing community bench. The project, part of the Building Better Opportunities initiative, is an opportunity to build skills and discover your potential.

The project suits all abilities with no prior experience needed. We would like to work with **people aged 50+** who are not employed but are seeking new opportunities and experiences. You may be retired, a full time carer or receiving disability or ESA allowance.
